Good evening,

This email is in regards to a summons in the California Central District Court for the following social workers for the Los Angeles Department of Children and Family Services:

JUDY THOMAS, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
KAREN LA, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
SANDRA CHAVEZ, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
WENDY CONTRERAS, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
JULIET MACIAS, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
LINDA FLORES, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
VERONICA BETANCOURT-PAREZ, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
ARNESHA ALLEN, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services;
BERNADETTE HENLEY, individually and in her official capacity as a social worker for the Los Angeles County Department of Children and Family Services

I was informed by Ester C. (213-351-5507) from the 10th floor of 510 S. Vermont Ave. Los Angeles, CA.. 90020 that the new method of receiving summons was through email on July 11, 2021.

I did also receive a contact number to reach Remik Gholian which was the number: 213-351-5554. However, after 3 attempts of trying to contact that number, I resorted to the email delivery option.

Please let me know if there is another delivery address, otherwise, I will presume that the email delivery is the new method of accepting summons.

Thank you,
Marissa Hernandez

Hello Rimik,

This is what I had thought. However, I was sent across multiple buildings the other day and I did try to reach out by phone call but was reaching a busy tone.

I do have individual copies already ready to deliver as well. I can meet at 9:30 a.m. if this time works well for you?

Thank you in advance,

Marissa Hernandez

Just to clarify, did you mean the lobby on the 1st level or the Terrace level?
